## 2014 Ministry Highlights Jeremiah 29:11

**We thank God for His provision through 2014.** We also thank all those who have supported this ministry prayerfully and financially, and all who have sacrificed their time, gifts and resources to volunteer. Without you we wouldn't be able to do what God has called us to do—**lead people to Jesus Christ!**

### Prison Ministry

- The main objective of this ministry is to make sure the inmates we minister too, know Jesus Christ—not just **about** Him, but **know** Him personally. **In 2014** we helped lead over **250 inmates** to the Cross to receive salvation and several hundred made re-commitments. This year we've ministered to over **7,000 inmates**. Praise God!
- Our Pen Pal team has corresponded with several inmates across the country.
- We gave out over several bibles this year and Daily Breads every 3 months.
- Currently 14 volunteers from **five different churches** make up the prison ministry.
- We helped several inmates who were released get housing and into short and long term programs.
- We are in the prisons for **144 church services this year!** We lead worship in Philadelphia Prisons every Tuesday evening and the first, third and fifth Wednesday evenings each month. We also lead a Spanish service in Fort Dix Federal Correctional Institution every Wednesday evening.
- In 2013 we had **over 30 guests** visit the prison. Some have shared with the inmates and others have witnessed what we do as a ministry inside the walls. A few of those guests have become current volunteers with CLPRM.
- We meet with prison volunteer services and all ministries in the Philadelphia Prison System on a quarterly basis.
- In 2014 we have begun to disciple men one-on-one in Bucks County Prison through Life Abundant Ministries.

### Recovery Ministry: Road to Recovery

- Road to Recovery has been one of the most important parts of CLPRM's ministry. The objective of this outreach is to help those who are struggling with addiction and to help them know Jesus Christ in a personal way. So many try to get better on their own, but we know it is only through the power of God that they can receive deliverance from their battle of addiction. We gave out over 150 Life Recovery Bibles and 500 Purpose Driven Life in 2014.
- **Road to Recovery meets every Friday night at Christian Life Center in Bensalem, PA at 7pm and Every Thursday night 730pm** at the Keystone Clubhouse 4511 Leiper Street in the Frankford section of Philadelphia.
- We have **an average of 30 to 50 men and women attending both meetings**. There are several attendees who have powerfully been affected by this ministry by staying clean and getting some parts of their lives back together.
- We had **four Recovery Service Luncheons in 2014, sponsored by Woodside Church** 1667 Edgewood Rd. Yardley, PA. **Woodside** who opened their doors to the recovery community to offer a service with powerful worship and testimonies, and a buffet luncheon. Thank you **Woodside!**
- **We helped over 50 people into treatment** (detox, rehabs, and recovery houses) in 2014, sticking with them through the entire process. **We gave 28 Scholarships from our Inmate Release and Recovery Scholarship Fund** (for those newly released from prison and those in addiction.) **We used \$4800 of that fund in 2014** to help get these men and women into local Christ- centered treatment and begin to get their lives back on track.
- This ministry has been much more than our Road to Recovery meetings. **We've made ourselves available almost 24 hours a day at times** for those who are struggling with addiction. We've spent countless hours on the phone and meeting with families and encouraging those who are reaching out for help. **We've fielded over 500 crisis calls and have helped well over 30 families through the process of treatment and recovery for their loved ones.** It can be exhausting at times, but worth every minute when we can see lives changing by the power of God.
- In February of 2014 we began bible study at The Self Help Movement (a men's rehab) in Philadelphia every Tuesday and 3 Thursdays a month. Also providing music for concerts and Revival weekends at Self Help.
- We will be hosting another Christmas party at Road to Recovery on December 19th, an Angel Tree type event where **Woodside Church in Yardley and CLPRM will provide gifts for over 75 children of parents in recovery, in prison or out, and those less fortunate.**
- A Big Thank You to the Pastors and staff of Christian Life Center for believing in the Ministry of CLPRM and opening your doors so we may fulfill the Great Commission!

### **Conquering Grounds Café: Coffee House Ministry**

Conquering Grounds Café, our monthly coffee house ministry, reaches out to individuals and families who have been affected by substance abuse. **In 2014 we averaged 150 people attending this FREE event held 1 Saturday of the month at 7pm in The Edge Building at Christian Life Center, 3100 Galloway Rd., Bensalem, PA.**

- Since we launched Conquering Grounds Café in January 2011, it has become an important night to those in the recovery community. God has blessed us with MANY gifted musicians who have shared their time, talent and testimony. Through the Word of God and testimonies that are shared at intermission, not only have audiences been entertained, they've heard about the victory that comes from following Jesus Christ. We've featured outstanding Christian bands like **John Sines Jr, Peace Jam Band, Wings of Glory, Paul Paoli Band and many more...**
- Each month a dedicated team of volunteers sets up, cleans up, serves food and beverages, runs sound, and does whatever it takes to make the coffeehouse run smoothly. Thanks to each of you! You are a tremendous blessing!
- As we begin our 5th Year at Conquering Grounds Cafe, we thank God for what He's done so far and are excited to see what's in store for 2015. And we re-commit to reaching out to the recovery community by offering a safe, uplifting and entertaining place to hear exceptional Christian artists who proclaim the gospel with truth and power.
